Work Experience

Pappa Flock Pty. Ltd. (On-Site)
Shift Leader | *March 2025 – Present*

- Led end-to-end shift operations, ensuring service quality, food safety compliance, and smooth workflow during peak hours.
- Supervised and coordinated team members, managing task allocation, issue escalation, and real-time operational decisions.
- Tracked operational metrics including service time, order accuracy, POS transactions, and end-of-shift cash reconciliation.
- Managed inventory checks and restocking to minimise shortages, waste, and disruptions.
- Resolved customer issues and supported store managers with opening, closing, and operational reporting.

Apollo Computers Pvt. Ltd. (Completion Certificate)
Trainee, Business Analytics | *May 2024 – June 2024* | On-Site

- Conducted competitor and market analysis to identify opportunities for new product features and enhancements.
- Developed analytical reports with data-driven recommendations for product design improvements.
- Proposed feature optimisations to improve software performance and user experience.

Aavas Financiers Ltd. (Completion Certificate)
Trainee, Credit Department | *Dec 2023 – Feb 2024* | On-site

- Evaluated loan eligibility by analysing financials, business operations, and income sources in line with company credit policies.

- Prepared Credit Appraisal Memorandums (CAMs) and income statements for salaried and self-employed applicants.
- Conducted on-site business verifications to assess creditworthiness and risk exposure.

Yes Bank (Completion Certificate)
Trainee, Retail Banking | *Jun 2022 – Aug 2022* | Onsite

- Analysed the incentive structure to identify barriers preventing employees from earning incentives.
- Conducted data collection and analysis with 410 employees to assess factors impacting incentive earnings.
- Developed a comprehensive report and presentation outlining key findings and actionable solutions to improve the incentive system.
- Highlighted a structural issue in the incentive policy whereby employees serving notice periods were excluded, causing a decline in sales effort and weakening short-term business performance.
